Please give the following Fact Sheet the widest possible dissemination to your faculty, staff, and student population.

Education & Guidance Services, a SACS/CASI AdvancED accredited special-purpose school serving schools and students in the West Georgia/East Alabama region for seventeen years with over fifty wonderful, caring certified teachers will offer, as we have, annually, a summer school program for students of all ages during June and July. **High School Carnegie Unit credit**, as well as **middle and elementary credit**, may be earned by any of your students, with permission from your school, the “sending school”. Enrichment and study skill opportunities are also available.

Our **elementary program** will be available in one-on-one tutorial form, only.

**Although classes of five students may begin at any time during the year, with student-teacher-parent agreement on dates and times, the dates below are the formal Summer Program dates:**

**Registration for Summer Program: Tuesday & Wednesday, June 7 and 8, 2011 from 8AM to 6PM at EGS, Mission Square, 2901-12 University Avenue, Columbus, GA.**

We offer a very tutorial program – with an average of five students in each class. This approach will assist your students in mastering the missing academic concepts so as to be prepared for the next school year.

Please call us with any questions.
